

Coalition of Organisations Committed to the Safety and Wellbeing of Australia's Children

Bulletin

Latest news on the National Framework for Protecting Australia's Children

Recent developments

- August 2010: UnitingCare Australia issued the second in its series of *Storyboard* reports which examines the progress toward the development of National Standards for Out-of-home Care. [More](#)
- 10 August 2010: Coalition reaches 100! Melbourne Citymission is signed onto the Coalition, making 100 members. [More](#)
- 29 July 2010: SNAICC conference challenges politicians to commit to work in true partnership with Aboriginal peoples based on respect and dignity; providing long term sustainable funding; and respect the work that Aboriginal services have been doing. [More](#)
- Results Based Accountability. Members of the American Results Leadership Group are visiting Australia in August to conduct a series of Results

No. 6
August 2010

This monthly Bulletin of the Coalition of Organisations Committed to the Safety and Wellbeing of Australia's Children provides latest information about the implementation of the [National Framework for Protecting Australia's Children 2009-2010](#) - Australia's first ever whole-of-nation strategy for tackling child abuse and neglect. The Coalition, which comprises around 100 non-government organisations and academics, is actively engaged in the implementation of the National Framework. Learn [more](#) about the Coalition.
